

BC Fire Fighters Curling Association

BCFFCA Presidents Report 2019

Welcome to the 2019 British Columbia Firefighters' Curling Championships. This is our 61st Anniversary of this annual event. It will be in the great city of Parksville.

Our 2018 BC champions was Team King consisting of Skip Blake King, Third Cliff Warner, Second Jay Winkel and Lead Trent Blair. Team King represented British Columbia well in Canadian Firefighters Curling Championships Thunder Bay, Ontario.

This year we are looking for a champion to represent our Province at the 60th Canadian Firefighters Curling Championships in Kelowna, British Columbia from March 16 - 23. You read that right, our Association is older than the National. As a matter of fact we are one of the three original provinces that started this great event.

I know that Parksville will put on a great Bon Spiel for our 61st. Gerald Ferguson and his committee have an amazing week planned and I hope everyone takes in all they have to offer.

At the AGM on Wednesday night we have the Secretary Treasurer, Rick Euper, Vice President Gary Falcon and Trustee, John Nicholson and Trustee, Darcy Taylor positions up for re-election.

2019 marks the 60th Anniversary of the Canadian Firefighters Curling Championships. Our province is hosting this prestigious event in the beautiful city of Kelowna. Our Secretary Treasurer Rick Euper is the host convenor and any help we can give him would be greatly appreciated. This is going to take some effort and support so let's step up and help them out with whatever you can do.

Now let's have some great curling and fun with friends!

Mike Caton
